THE SECRET HOLOCAUST

The devastation of civilization to date by the rapacious hordes of Godless Communism, as well as their planned annihilation of all non-Jewish societies and political organizations, began to ravage the world in the nineteenth century. It has resulted in incredible suffering and death for many millions of Christian victims in many parts of the world.

Yet as these Christian victims lie in their graves, unmourned and unknown, a new class of international citizens, (the creators of Marxist terrorism), profess to be the only "victims" who have endured suffering in the past one hundred and fifty years. They command the world to weep for them, because they control the world.

These harbingers of terror claim to be "refugees", since they had no nation of their own, but infested the civilized societies in every part of the world for two thousand years, bringing with them, in every instance, disease and death.

They have emerged from one shattered nation after another, not as refugees, but as the final victors, bearing away their loot, and scurrying through ports which they have created and which they alone know how to follow, until they come to another host nation.

With them they bring, like the medieval Bubonic Plagues, (an infection which they were accused of spreading), a terrible contamination, an infestation which quickly spreads through the new host country, and fells all who become its victims. This plague is world Communism, and its known carriers, the furry scavengers who have found their way through the sewers into every civilized place, are the international Jews.

P. D. VINCENTIUS MACCANTI C. R.
*Mutinae febribus Populi pestilentia dire affectis,
Duobus cum socio in eadem Charitate palestris
Proclaxa morte defunctis,
Tamquam Angelus caelo lapsus,
Egregiaq; navavit operam.*

We are asked to weep only for the Jews, and to ignore the many millions of actual victims of world terrorism in the past one hundred and fifty years, a chronicle of such horror that one scarcely can bear to put down this bloodstained record, not merely in fear that the world might put away its business in order to mourn these countless victims of international Communist terrorism, but that the tragic fate of these innocents, most of them women and children, is one of such pathos that one's heart could break from the full impact of its terrifying implications for everyone alive today.

One of the first victims of the international financiers, shortly after publication of the Communist Manifesto by Karl Marx in 1848, was the Southern civilization of the United States. White immigrants had wrested from a hostile territory the means to create a gracious culture, one which the ruder and more unlettered sections of the new Republic could only gape at in admiration, an admiration, however, which soon turned to envy and then hatred.

This hatred brought armies into the American South, bearing the terrorists who, unknown at that time, were the first Communist totalitarians determined to wreak their hatred and policies of annihilation on all civilized people.

The Southerners were unfortunate enough to be the first victims. Military governments were set up in the conquered South, operating solely on the totalitarian concepts of Godless Communism, with courts functioning under martial law. The Southerners had been robbed of their Constitution, and of their rights to property and even to existence.

Their homes were burned and looted, and savage hordes were unleashed to rape and pillage the properties which were occupied only by women and children. To deny the inherited rights of these Southerners, which were still their due under the laws of this nation, a brutal reign of terror, featuring Federal Judges, Federal Courts, and Federal Prisons, which were set up for the first time in any state of these United States. For those Southern patriots who dared to protest these outrages, Federal insane asylums were set up for those who were not executed on the spot.
